Таблица хода модуля МР-110.S.001 000

| №  | Ход каретки S | Длина основания L, мм | длина модуля L2, мм | Масса модуля, кг |
|----|---------------|-----------------------|---------------------|------------------|
| 1  | 100           | 334                   | 524                 | 12,83            |
| 2  | 200           | 434                   | 624                 | 14,02            |
| 3  | 300           | 534                   | 724                 | 15,21            |
| 4  | 400           | 634                   | 824                 | 16,4             |
| 5  | 500           | 734                   | 924                 | 17,59            |
| 6  | 600           | 834                   | 1024                | 18,78            |
| 7  | 700           | 934                   | 1124                | 19,97            |
| 8  | 800           | 1034                  | 1224                | 21,16            |
| 9  | 900           | 1134                  | 1324                | 22,35            |
| 10 | 1000          | 1234                  | 1424                | 23,54            |
| 11 | 1100          | 1334                  | 1524                | 24,73            |
| 12 | 1200          | 1434                  | 1624                | 25,92            |
| 13 | 1300          | 1534                  | 1724                | 27,11            |
| 14 | 1400          | 1634                  | 1824                | 28,3             |
| 15 | 1500          | 1734                  | 1924                | 29,49            |
| 16 | 1600          | 1834                  | 2024                | 30,68            |
| 17 | 1700          | 1934                  | 2124                | 31,87            |
| 18 | 1800          | 2034                  | 2224                | 33,06            |
| 19 | 1900          | 2134                  | 2324                | 34,25            |
| 20 | 2000          | 2234                  | 2424                | 35,44            |
| 21 | 2100          | 2334                  | 2524                | 36,63            |
| 22 | 2200          | 2434                  | 2624                | 37,82            |
| 23 | 2300          | 2534                  | 2724                | 39,01            |
| 24 | 2400          | 2634                  | 2824                | 40,2             |
| 25 | 2500          | 2734                  | 2924                | 41,39            |
| 26 | 2600          | 2834                  | 3024                | 42,58            |
